

ZEPHYR in the News

PR Highlight

4. QUICK CHANGE: The Shade range hood from Zephyr features an interchangeable front panel you can switch to suit your mood or the changing style of your kitchen. It's from the *Cheng Design* by Zephyr line, created by artist and designer Fu-Tung Cheng, and is available in materials such as glass, copper, wood, and a heat-resistant clear material to display items such as rose petals and bamboo. The *Shade* is designed to meet the demands of large commercial-style ranges. \$6,500. For a source, Eastern Marketing in Roseland at 800-966-8300.

5. METAL CRAFT: Create Old World ambiance with a hammered copper hood with brass accents from the Miami line by RangeCRAFT. The line comes in copper, brass, stainless steel or a combination of these metals in mirror or antiqued finishes. They are available with an internal fan or for use with a remote fan. A patented Micro baffle filter and halogen lights are standard. Available in custom sizes starting at \$5,700. Sources: Jem Appliances in Whippany, Karl's Appliances in Fairfield, Allen Cabinets in Pequannock, Leonardis Kitchen Interiors in Morristown, Modern Millwork in Belleville, and Creative Kitchens by Design and Ulrich Inc., both in Ridgewood.

6. HIP HOOD: Italian-designed SU39 hood by Sirius mixes stainless steel and glass for a sophisticated edge. The hood is 36 inches wide and has a variable-speed ventilation exhaust system, two halogen lights, dishwasher-safe filters, delay off timers, and heat overload sensors. \$1,550. For a source, 800-356-3803.
